STUDENT CONDUCT

CODE OF CONDUCT

The Board of Education and administration are committed to encouraging and enforcing a higher standard of behavior among its student body. The Board believes that schools reinforce the important community values of respect, responsibility, self-reliance, trust and tolerance. To that end, all students have a right to:

- Be treated with respect and courtesy
- Learn without disruption
- Attend each class every day
- Feel safe in his/her school
- Be taught without interruption

Student conduct at Memorial High School will encompass the rules as presented in this handbook. It is to be assumed that students will demonstrate respect for their teachers and peers and show good citizenship and consideration for the rights of others. Only then will we be able to meet our school goals and objectives. This code of conduct supplements the broad discretionary power of the school administrators when maintaining and securing safety, order, and discipline in Memorial High School.

CHEATING

Cheating is defined as the representation of someone else's work as one's own, the use of prepared work in any form when none is permitted, or cooperative efforts when only individual effort is required (ie copying homework, sharing answers on tests or quizzes, plagiarizing papers or reports, etc.). Any form of cheating to any extent is wrong and inexcusable. This improper conduct is a disservice to one's own educational progress as well as the progress of others. The classroom teacher is the arbiter as to whether or not cheating has occurred. Incidents of plagiarism must be judged by the teacher in light of what the teacher has taught and what the teacher expects each student to know. The teacher will confiscate the materials and report all instances of cheating to the appropriate supervisor/administrator. The minimum penalty for cheating is a "zero" for the submitted work or assignment. This "zero" grade applies to any student involved in the infraction. Incidents of cheating or plagiarism become part of the student's disciplinary record and are shared with the guidance department.

DISCIPLINE POLICY

Schools have the authority to discipline for activities that take place at any time of the year in any place in the world if it can be established that there is a direct detrimental effect on the safety and good order of the educational atmosphere. Therefore, the school administration reserves the right to discipline, suspend, or expel a pupil for conduct away from school grounds where such action is reasonably necessary for the student's physical or emotional safety and well-being, or for reasons relating to the safety and well-being of other students, teachers, or public property.

PEER MEDIATION/CONFLICT RESOLUTION

This program is designed to minimize the number of conflicts among high school students. Students will learn how to solve their own problems and obtain skills to resolve any conflicts. Students or teachers can request mediation by completing a form in the Student Assistance Counselor's office.

SUBSTANCE ABUSE POLICY (File Code 5530)

The Board of Education recognizes that a pupil's abuse of harmful substances seriously impedes that pupil's education and threatens the welfare of the entire school community. The Board is committed to the prevention of substance abuse and the rehabilitation of substance abusers by educational means, but will take the necessary and appropriate steps to protect the school community from harm and from exposure to harmful substances. Accordingly, the Board will establish and maintain a comprehensive substance abuse intervention, prevention, and treatment referral program in the schools of this district.

Discipline

1. Any violation of Board rules prohibiting the use, possession and/or distribution of a substance is a serious offense, and the pupil who violates a substance abuse rule will be disciplined accordingly. Repeated violations are more severe offenses and warrant stricter disciplinary measures. Pupils who violate the substance abuse rules will be disciplined as follows:

1. Report the incident to local law enforcement officials.

2. Subject to a hearing as set forth by law and Board policy, the pupil shall immediately be suspended from his/her regular school program. Such pupils will be reported to the Superintendent as prescribed in New Jersey Administrative Code and local administrative notices.

ج. Pupils who have been suspended for drug or alcohol use/abuse shall have an evaluation made of their overall academic and social performance. This evaluation will be coordinated by the Substance Awareness Coordinator or other appropriate personnel. The process will include, but not be limited to, the use of a pupil behavior checklist. The results of this evaluation may require a further evaluation by the Child Study Team to determine a pupil's eligibility and need for special correctional programs, additional medical evaluation, referral to a substance abuse assessment agency and/or treatment program, and continued monitoring which may include random urine testing by the school staff for substance use/abuse.

د. A minimum out-of-school suspension of three days shall be imposed unless the pupil's accumulative suspension warrants a longer term or the pupil does not provide the required medical report indicating that he/she is physically and mentally able to return to school, or the Student Assistance Program staff or other appropriate staff has not completed its assessment, in which case the suspension shall be continued an appropriate number of days but not to exceed the second meeting of the Board of Education, at which time formal action will be taken as to whether the out-of-school suspension should be continued.

ه. Repeat offenders:

(1) Second offense – A minimum of no less than that imposed after prior offense. A meeting with the Superintendent and Building Principal will be required by the pupil and parent(s) or legal guardian(s) and evaluation and treatment at an appropriate health care facility must be investigated as a means of treatment. The cost for such treatment would be the responsibility of the parent(s) or legal guardian(s).

(2) Third offense – Pupil and parent(s) or legal guardian(s) must meet with the Superintendent and Building Principal for a formal hearing regarding implementation of possible expulsion proceeding with the Board of Education. Substance awareness coordinator/guidance counselor, Child Study Team member or other appropriate personnel as designated by the Superintendent may be included.

2. Pupils suspected of possession, **selling or transferring** drugs, drug paraphernalia or alcohol on school property at school-sponsored activities will be disciplined as follows:

ا. If the drug is determined by the police or other authorized specialist to be a controlled dangerous substance as defined in PL 1970, Chapter 228, Section 2, the pupil shall immediately be suspended from the regular school program following a hearing set forth by law and Board policy.

ب. A minimum suspension of ten days shall be imposed. Such suspensions will be reported to the Superintendent as prescribed by New Jersey Administrative Code and local Board policies.

ج. Pupils who have no previous record of alcohol or drug abuse may be readmitted to school at the discretion of the Principal following an in-depth conference with the pupil's parent(s) or legal

guardian(s) as herein described. Such a conference may require an evaluation by the Child Study Team if the pupil has, in the opinion of the Principal, a history of behavior and/or educational problems. Such a conference may include school health, special services personnel and guidance counselors, and shall include a discussion of the danger of alcohol and drug abuse and the availability of local agencies which deal with assessment and/or referral.

3. Second offense by a pupil will result in the pupil and parent(s) or legal guardian(s) being required to meet with the Board for possible expulsion hearing according to policy.

Identification, Evaluation, and Intervention

Any educational staff member or other professional to whom it appears that a pupil may be under the influence of alcohol or other drugs on school grounds, including on a school bus or at a school-sponsored function shall report the matter in accordance with NJAC 6A:16-4.3(a)1.

An immediate medical examination shall be conducted and a written report of the medical evaluation shall be furnished to the parent(s) or legal guardian(s) of the pupil, the Building Principal, and the Superintendent.

Testing

The administration may request of a student's parent or guardian that an alcohol or drug screening through urinalysis of the student be conducted. The parent/guardian will be telephoned by the building principal and/or his/her designee to state that because there is strong suspicion of alcohol and/or controlled dangerous substance abuse, the student within the next two hours must provide a urine sample for a full spectrum analysis and receive a physical examination either from a physician of the parent/guardian's choice and at the parent/guardian's expense or the school will arrange to have these done at the Clifton Immedicenter or at an appropriate substitute location approved by the school district immediately and at no expense to the parent/guardian. The parent/guardian should arrange to report to the school building immediately to accompany the student to the location of the test and examination. If neither parent nor guardian can be reached by telephone, then this fact will be noted for the record and the student will be driven to the Clifton Immedicenter, 1355 Broad Street, Clifton, New Jersey 07013 or to an appropriate substitute location approved by the school district, by a school administrator accompanied by the school nurse or other member of the faculty. If the student is belligerent or resistant, then the Elmwood Park Police Department will be contacted to assist with the student's transportation.

A written report of the medical examination and screening shall be furnished to the parent/guardian of the pupil, principal, and superintendent by the examining physician within a twenty-four hour period. If the report is not submitted within twenty-four hours, the pupil shall be allowed to return to school until such time as a positive diagnosis of alcohol or other drug use is received.

NOTE: If a parent/guardian and/or student refuses to comply with the requirements for screening set forth by the Board of Education and administration, then the student will be judged to have made an admission and will be considered as being positive for alcohol and/or a controlled dangerous substance and will be immediately suspended out-of-school.

Anabolic Steroids

Whenever any teaching staff member, certified or non-certified school nurse, or other educational personnel shall have reason to believe a pupil has used or may be using anabolic steroids, that person shall report the matter in accordance with NJAC 6A:16-4.3(b)1.

The Building Principal or designee upon receiving such report shall immediately notify the parent(s) or legal guardian(s) and Superintendent and shall arrange for an examination of the pupil as soon as possible to determine whether the pupil has been using anabolic steroids.

If the results of a referral for evaluation have positively determined the pupil's involvement with and use of anabolic steroids represents a danger to the pupil's health and well-being, an appropriately certified school staff member(s) shall initiate a referral for treatment to agencies and/or private practitioners as outlined in NJAC 6A:16-4.3(b)6. The Discipline procedure outlined above will also be enacted.

SMOKE-FREE SCHOOL ZONE

(Elmwood Park Borough Ordinance No. BH.2006-04) It is unlawful for adults and minors (under the age of 19), or any student of any elementary or secondary educational institution to use tobacco products within the public right of way areas within a radius of one thousand (1,000) feet of any elementary or secondary educational institution. Any person violating any of the provisions of the ordinance shall pay a penalty of up to \$250.00 for the first offense, \$500.00 for the second offense and \$1000.00 for each subsequent offense. Penalties for the first violation may be in the form of community service at the discretion of the Municipal Court. Citizens may bring complaints against violators of this ordinance.

Disciplinary Actions

TEACHER DETENTION

When a student reports to class unprepared, violates classroom procedures, or in some other way disrupts the instructional process, he/she may be assigned AM or PM detention by the classroom teacher. This detention will generally be served in the teacher's classroom or designated area beginning 7:25 AM or 2:50 PM and will last for a half hour. A one-day notice is considered sufficient time for students to inform their parents of the detention. It is the student's responsibility to make the necessary arrangement with other teachers and parents including alternate transportation. Failure to serve a teacher detention will result in further discipline.

FRIDAY DETENTION (After School Assistance Program)

Following are the procedures for Friday Detention:

1. At approximately 2:45 PM, students will be called to report to the Media Center. It is the **students' responsibility** to report to the Media Center immediately after school.
2. Students will then be moved to a classroom to serve the detention.
3. The After School Assistance Program (ASAP) will run from 2:45 PM – 5:00 PM.
4. Students who are scheduled for ASAP should bring all necessary schoolwork, books, pens, pencils and enough work to keep busy the entire time to their 8th period class on that day. Students will not be permitted to go to their lockers to get work for the detention period. Students who do not have work will be given worksheets to help prepare for upcoming standardized tests.

5. No food or drink is allowed. As a rule, students will be permitted to use restrooms during the five (5) minute break to be scheduled at the end of the first hour of the session.

6. No I-Pods, CD players, video games, cell phones, etc. are permitted in the detention room.

7. Seat assignments will be issued by the teacher. Absolutely no talking or sleeping will be permitted. Students who are disruptive will be asked to leave and receive disciplinary consequences according to policy. The detention will also be reassigned for the next available week.

8. Students assigned ASAP will not be permitted to participate in any extracurricular activities during the detention period.

9. Parents/guardians are responsible for providing transportation for their son/daughter.

FAILURE TO COMPLY:

Any student who is absent from school the day of the scheduled ASAP Detention will be automatically rescheduled to the next week's detention. If a student is absent from school on two consecutive Fridays, he/she must report to school with a parent or guardian before 8:05 AM the Monday after the 2nd absence.

Any student who is present in school on the day of the scheduled ASAP Detention and does not attend the detention will face disciplinary action according to policy.

Any student not in compliance with the above stated guidelines may be removed from the detention. The student will then face disciplinary action according to policy.

Friday detention will be rescheduled only due to family and medical emergencies, doctor's appointments, State and Standardized Testing, and legal appearances. A parent looking to reschedule a Friday detention for their son/daughter must contact the Assistant Principal before the detention is to be served. Verification of the reason for the request must be provided (ie doctor's note, legal document). Administration reserves the right to deny requests. Friday detentions will not be changed for students who are scheduled to work or involved in sporting & extracurricular events.

IN-SCHOOL SUSPENSION

The purpose of the In-School Suspension (ISS) program is to allow the student to continue his/her academic work while on suspension. This program is in lieu of Out-of-School Suspension and, as a result, the student must obey the following rules:

1. In-School Suspension will run from **8:00 AM to 2:45 PM**

2. Students will report directly to the in-school suspension room **by 8:05 AM**. At **2:45 PM** they will be escorted to the main office by the supervisor and must leave the building immediately.
3. Students who report **late** will be admitted into in-school suspension, however, the time missed will have to be made up after school in an office detention.
4. Misbehavior of any type will not be tolerated and sleeping is not permitted.
5. Students reported for unsatisfactory conduct will be assigned an out-of-school suspension.
6. Students will be permitted to use the lavatory twice each day - once in the morning and once in the afternoon - with permission of the supervisor. Lavatory time will not exceed five minutes.
7. Students are not to consume food or beverage at any time other than during the assigned lunch period. Students assigned to ISS can bring a bag lunch or will be allowed to purchase a lunch from the cafeteria.
8. Students must report to the ISS room with all books and writing materials necessary to complete their assignments.
9. Students may not be excused from the in-school suspension room to go to lockers, the Media Center, Guidance, etc.
10. All privileges will be discontinued for the day the student is serving the in-school suspension. Students will not participate in any extracurricular activities of the school, including all sports, social events, rehearsals or practices.
11. Failure to attend in-school suspension unless excused for religious holiday, death in the family or illness (student must present a doctor's note to the Assistant Principal upon their return to school) will result in an **OSS**.

OUT-OF-SCHOOL SUSPENSION

Out-of-School Suspension (OSS) is reserved for those transgressions that the school administrators feel merit this punishment. A student may be suspended for one (1) to ten (10) days by the administration. Students may not participate in any school activities during the entire period of suspension or be permitted on school grounds. Half-time students suspended from a vocational institution will also be suspended from all classes and school related activities at Memorial High School.

Eligibility for School Sponsored Activities

1. Any student receiving two grades below 70 will be placed on a two-week probationary period during which time the student may practice but not participate in any school-sponsored activity. The student must raise their grade to a passing level in the two-week period or else she/he will be eliminated from participation until satisfactory progress is made in those subjects. The two-week period will begin the day on which grades are published by the administration. The high school administration will publish the incompletes and failures on the day of the mailing.
2. A student receiving three or more grades below 70 will be automatically suspended from all school-sponsored activities until the following marking period ends, at which time satisfactory progress in all subjects must be evident before resuming the school sponsored activity. **ANY**

STUDENT WITH THREE OR MORE FAILING GRADES CANNOT PARTICIPATE IN ANY SCHOOL RELATED ACTIVITY.

3. A student may be suspended from participation in any school-sponsored activity at the discretion of the administration, coach or advisor.

+* Students found to be possession of a weapon and/or drugs will automatically lose all athletic and extra-curricular privileges for the school year.

5. Removal from one athletic team during a season will disqualify a student from participating on another team during that season.

6. If a student chooses to audit a course, he/she still must meet the 27.5 state standard credit requirement in order to participate in school-sponsored activities.

7. All liabilities must be paid in full before a student may participate in any school activity

SPORTSMANSHIP

The ideal of sportsmanship permeates virtually every aspect of our culture. The ethic of fair play may be witnessed in all facets of life. However, its origin has been firmly established in sports and acts as a training ground for good citizenship and high behavioral standards. The NJSIAA, NJIC, and the Elmwood Park school district are committed to fair play, graciousness toward an opponent, and a genuine concern and respect for others.

Department of Health Services

The school nurse is located in the Nurses Suite along the main corridor. It is open throughout the school day for problems related to health or health records. Students becoming ill or injured during the school day must notify their classroom teacher and obtain a pass to go to the nurse's office. According to state regulations, treatment by the school nurse is limited to first aid care for injuries occurring at school. Injuries incurred other than at school must be cared for at home. The school medical inspector approves the school's first aid procedures, and they are reviewed and approved by the Board of Education. Whenever it is determined that a student's condition warrants leaving school, a parent, guardian or designated adult will be notified. The student must report to the attendance office to sign out of school. If the student should return to school, s/he must report to the attendance office upon his/her return. If the nurse is not available, the student should report to the main office if there is an emergency.

MOBILITY ASSISTANCE

Any student requiring the use of a temporary mobility aid (wheelchair, crutches, etc.) within the school building must have a doctor's note stating its use. The doctor's note must be given to the school nurse on the first day the student arrives to school using the mobility aid. The school nurse will review the procedures for navigating the school building in a safe manner. **Any student who does not follow this procedure will not be permitted to travel through the school building.**

STUDENT EMERGENCY INFORMATION CARDS

The Emergency Information cards are collected at the beginning of the school year and are kept on file in the main office. Parents/guardians are urged to provide information on who can be contacted in the event of an emergency. It is extremely important for your child's welfare that at least TWO persons be designated as alternates who are available and do not work outside the home. It is important that emergency numbers be kept up to date. The school should be notified immediately of any changes. It is the responsibility of the parent/guardian to make transportation arrangements for a child to be taken home during school hours because of injury or illness. In cases of medical emergencies, the school will call the nearest ambulance service and will make every effort to immediately contact the parent/guardian in order to facilitate the necessary care of the student. **Students will only be released to persons designated on the emergency cards.**

ADMINISTRATION OF MEDICATION (Policy 5330)

The Board of Education disclaims any and all responsibility for the diagnosis and treatment of the illness of any pupil. However, in order for many pupils with chronic health conditions and disabilities to remain in school, medication may have to be administered during school hours. Parents and legal guardians are encouraged to administer medications to children at home whenever possible as medication should be administered in school only when necessary for the health and safety of pupils. The Board will permit the administration of medication in school in accordance with applicable law.

PERMISSION-SELF ADMINISTRATION OF MEDICATION (5330)

Permission for self-administration of medication of a pupil with asthma, other potentially life-threatening illness, or a life-threatening allergic reaction may be granted. Parents/Guardians should contact the school nurse for additional information at ext. 2960

PHYSICAL EXAMINATIONS

The primary responsibility for the health of each child rests with the parent/guardian and a primary care provider. A comprehensive health appraisal by a parent-selected physician (known as a medical home) should be the foundation for the school health appraisal.

A physical examination will be required for:

- All students trying out for an interscholastic athletic team.
- All transfer students who have no record of a physical exam for the year in which they enter school.

No one may participate in any sport without a signed and completed physical form.

Health and Physical Education Procedures

Physical Education/Health is a State requirement to graduate. Students must be enrolled in Physical Education/Health classes each year they are in high school.

It is recommended that students wear a white or red T-Shirt, shorts/sweats, and sneakers. Sweatpants and sweatshirts are recommended for outdoor activities. team uniforms are not permitted. Failure to comply with these requirements will result in a zero for the day.

2. Students will receive a grade of zero for non-participation and class cuts.

3. Medically excused students must show a doctor's note to the physical education teacher who will send students to the nurse. Students excused for three (3) or more days will be assigned to a study hall.

Students will be graded in Physical Education on the following criteria:

- Dress/Preparation - 40%
- Participation - 50%
- Attitude/Cooperation - 10%

Free and Reduced Lunch Program

Applications for free and reduced lunches are given to all students at the beginning of the school year. The State of New Jersey Department of Education sets income eligibility guidelines. Completed forms are to be returned to the Main Office to determine eligibility. Forms must be completed by all students in the district. Parents/guardians will be notified of the decision.

Clubs, Societies, and Activities

Memorial High School has a rich tradition of providing its student body with many valuable educational opportunities outside the classroom. Our school community offers a wide variety of extracurricular clubs, societies and activities in which students can participate. A complete list and description of these can be found on the district website at www.elmwoodparkschools.org.

المطلوبات

Liabilities are assessed during the school year for lost or stolen material, failure to return library books and vandalism. A student will not receive his/her final report card, transcript, or other student record until all liabilities/fines are paid in full. Students will not be permitted to graduate without payment of liabilities/fines. Students will not be allowed to participate in extracurricular activities if they owe liabilities/fines from the previous year

Lockers and Locker Usage

Students are reminded that lockers are school property and as such are on a loan-use basis to students. Although we acknowledge the right to privacy, the administration reserves the right to periodically inspect lockers. Students are expected to use only the locker that they have been assigned. Faulty lockers are to be reported to the Assistant Principal immediately. All lockers

must be “locked” when not being used. Memorial High School is not responsible for items lost or stolen from lockers. Students are urged not to bring large amounts of money or valuables to school. For security measures, students should not share their locker combinations with fellow students. All hats, coats, and outerwear must be stored in a student's locker while school is in session.

Meetings

All meetings on school premises may function only as part of, and under the sponsorship of, approved student body organizations. Meetings must be supervised by a teacher-advisor and be authorized by the administration.

School Closing/Delayed Opening

Cancellation of school takes place **only during extraordinary circumstances** such as extreme weather conditions. School will not be canceled unless a significant safety risk has been created by unusual circumstances. Every effort will be made to make public notification of an impending cancellation through the automated dialing system. In addition to the automated system, information can be obtained from the following:

1. Honeywell Instant Alert System (registration information is available on the district website)
2. Radio stations (WOR/WCBS/WINS)
3. Recording (201-796-8700)
4. District website (www.elmwoodparkschools.org)

When weather conditions prevent schools from opening at the regular time, it has been determined by the Elmwood Park Board of Education that there will be a two (2) hour delayed opening.

In the case of delayed openings, pupils should report to school at 10:00 am

Period 3	10:00 AM - 10:35 AM
Period 4	10:40 AM - 11:25 AM
Period 5	11:30 AM - 12:15 PM
Period 6	12:20 PM - 1:05 PM
Period 7	1:10 PM - 1:55 PM
Period 8	2:00 PM - 2:45 PM

Policy Statements

Board of Education policy statements regarding students are available for review in the library in the policy manual and the district website (www.elmwoodparkschools.org).

Freedom Of Expression

Freedom of expression is part of the district's instructional program; however, it may not be used to disrupt the education process nor interfere with the rights of others. Accordingly, no material may be distributed on school premises prior to being reviewed and approved by the administration. A decision as to the acceptability of the material for distribution will be based on the criteria as stated in Board of Education policy. All material must have an educational basis that relates to the district program of studies.

Study Halls

1. Students are to report promptly to their assigned study hall equipped with study materials.
2. Students are to take their assigned seats and quietly work on their assignments.
3. A student must attend his/her Study Hall on a daily basis.

Lunch Periods

The school operates a closed campus for students in grades 9 – 11. Only twelfth grade students are given the privilege to leave school grounds during their lunch period. This is only granted provided that the senior has an acceptable academic and discipline status. All other students (grades 9-11) are expected to eat their lunches in the school cafeteria. **Students in grades 9-11 are not permitted to leave school grounds.** Any student who leaves the building or grounds without authorization will be subject to disciplinary action. Students causing a disturbance in the cafeteria or being insubordinate will also be subject to disciplinary action.

Textbooks/Locks

Each pupil enrolled in Memorial High School is responsible for the proper care of school property and the supplies and equipment entrusted to his/her use. Students who cause damage to school property will be subject to disciplinary measures. A fine may be imposed for the loss, damage, or defacement of school property.

الزائرين

It is the responsibility of the administration and staff to maintain a safe and sound educational environment; therefore, students may not bring visitors to school to spend the day with them.

Working Papers

Students may apply for working papers at the Main Office. A student must be promised a job in order to get working papers. A physical is required the first time working papers are issued. The Elmwood Park Board of Education will not pay for physicals for working papers. Applicants must prove they are at least 14 years of age. When a student reaches his/her 18th birthday, working

papers are no longer necessary. Only birth or baptismal certificates will be accepted as proof. Certain types of jobs are restricted to particular age ranges. Also, a certificate is issued only for one particular job at a designated place of employment. If the pupil changes his/her job, a new certificate must be issued for that job. Copies of working papers are sent to Trenton for final approval.

Harassment, Intimidation and Bullying Policy 5512.01

Please see the school website (www.elmwoodparkschools.org) for the most updated version of the Harassment, Intimidation and Bullying Policy.

Policy Statement

The Board of Education prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

“Harassment, intimidation, or bullying” means any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability; أو
2. By any other distinguishing characteristic; and that
3. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, that substantially disrupts or interferes with the orderly operation of the school or the rights of other pupils; and that
4. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a pupil or damaging the pupil's property, or placing a pupil in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; أو

5. Has the effect of insulting or demeaning any pupil or group of pupils; أو
6. Creates a hostile educational environment for the pupil by interfering with a pupil's education or by severely or pervasively causing physical or emotional harm to the pupil.

“Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to,; a telephone, cellular phone, computer, or pager.

Pupil Expectations

The Board expects pupils to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other pupils and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Pupil Conduct.

The Board believes that standards for pupil behavior must be set cooperatively through interaction among the pupils, parents, school employees, school administrators, school volunteers, and community representatives, producing an atmosphere that encourages pupils to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of pupils, staff, and community members.

Pupils are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Pupil Conduct as opportunities to help pupils learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with pupils shall apply best practices designed to prevent pupil conduct problems and foster pupils' abilities to grow in self-discipline.

The Board expects that pupils will act in accordance with the pupil behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Pupil responsibilities (eg, requirements for pupils to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Pupil rights; و

4. Sanctions and due process for violations of the Code of Pupil Conduct.

Consequences and Appropriate Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for pupils who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Pupil Conduct, and the consequences and remedial responses for staff members who commit one or more acts of harassment, intimidation, or bullying. The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by pupils. Appropriate consequences and remedial actions are those that are graded according to the severity of the offense(s), consider the developmental ages of the pupil offenders and pupils' histories of inappropriate behaviors, per the Code of Pupil Conduct and NJAC 6A:16-7.

Reporting Procedure

The Board of Education requires the Principal at each school to be responsible for receiving complaints alleging violations of this Policy. All Board members, school employees, and volunteers and contracted service providers who have contact with pupils are required to verbally report alleged violations of this Policy to the Principal or the Principal's designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with pupils, also shall submit a report in writing to the Principal within two school days of the verbal report. The Principal will inform the parents of all pupils involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Pupils, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident. Pupils, parents, and visitors may report an act of harassment, intimidation, or bullying anonymously. Formal action for violations of the Code of Pupil Conduct may not be taken solely on the basis of an anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

Investigation

The Board requires a thorough and complete investigation to be conducted for each report of an alleged incident of harassment, intimidation, or bullying. The investigation shall be initiated by the Principal or the Principal's designee within one school day of the verbal report of the incident. The investigation shall be conducted by the school Anti-Bullying Specialist. The Principal may appoint additional personnel who are not school Anti-Bullying Specialists to assist the school Anti-Bullying Specialist in the investigation.

Range of Responses to an Incident of Harassment, Intimidation, or Bullying

The Board authorizes the Principal of each school, in conjunction with the Anti-Bullying Specialist, to define the range of ways in which school staff will respond once an incident of harassment, intimidation, or bullying is confirmed, and the Superintendent shall respond to confirmed harassment, intimidation, and bullying, according to the parameters described in this Policy. The range of ways in which school staff will respond shall include an appropriate combination of counseling, support services, intervention services, and other programs. The Board recognizes that some acts of harassment, intimidation, or bullying may be isolated incidents requiring the school officials respond appropriately to the individual(s) committing the acts. Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building, or school district level or by law enforcement officials.

Consequences and appropriate remedial actions for a pupil who commits an act of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under NJSA 18A:37-1, Discipline of Pupils and as set forth in NJAC 6A:16-7.2, Short-term Suspensions, NJAC 6A:16-7.3, Long-term Suspensions and NJAC 6A:16-7.5, Expulsions.

In considering whether a response beyond the individual level is appropriate, school officials shall consider the nature and circumstances of the act, the degree of harm, the nature and severity of the behavior, past incidences or past or continuing patterns of behavior, and the context in which the alleged incident(s) occurred. Institutional (ie, classroom, school building, school district) responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based harassment, intimidation, or bullying prevention program models, to training for certificated and non-certificated staff, to participation of parents and other community members and organizations, to small or large group presentations for fully addressing the actions and the school's response to the actions, in the context of the acceptable pupil and staff member behavior and the consequences of such actions, and to the involvement of law enforcement officers, including safe schools resource officers.

The district will identify a range of strategies and resources, which could include, but not be limited to, the following actions for individual victims: counseling; teacher aides; hallway and

playground monitors; schedule changes; before and after school supervision; school transportation supervision; school transfers; and therapy.

Reprisal or Retaliation Prohibited

The Board prohibits a Board member, school employee, contracted service provider who has contact with pupils, school volunteer, or pupil from engaging in reprisal, retaliation, or false accusation against a victim, witness, one with reliable information, or any other person who has reliable information about an act of harassment, intimidation, or bullying or who reports an act of harassment, intimidation, or bullying. The consequence and appropriate remedial action for a person who engages in reprisal or retaliation shall be determined by the administrator after consideration of the nature, severity and circumstances of the act, in accordance with case law, Federal and State statutes and regulations and district policies and procedures.

All suspected acts of reprisal or retaliation will be taken seriously and appropriate responses will be made in accordance with the totality of the circumstances. Examples of consequences and remedial measures for pupils who engage in reprisal or retaliation are listed and described in the Consequences and Appropriate Remedial Actions section of this Policy.

Consequences and Appropriate Remedial Action for False Accusation

The Board prohibits any person from falsely accusing another as a means of retaliation or as a means of harassment, intimidation, or bullying.

Consequences and appropriate remedial action for a pupil found to have falsely accused another as a means of harassment, intimidation, or bullying or as a means of retaliation may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under NJSA 18A:37-1 et seq., Discipline of Pupils and as set forth in NJAC 6A:16-7.2, Short-term Suspensions, NJAC 6A:16-7, Long-term Suspensions and NJAC 6A:16-7.5, Expulsions and those listed and described in the Consequences and Appropriate Remedial Actions section of this Policy.

Policy Publication

This Policy will be disseminated annually by the Superintendent to all school employees, contracted service providers who have contact with pupils, school volunteers, pupils, and parents who have children enrolled in a school in the district, along with a statement explaining the Policy applies to all acts of harassment, intimidation, or bullying, pursuant to NJSA 18A:37-14 that occur on school property, at school-sponsored functions, or on a school bus and, as appropriate, acts that occur off school grounds.

The Superintendent shall ensure that notice of this Policy appears in the pupil handbook and all other publications of the school district. A link to the district's Harassment, Intimidation, and Bullying Policy will be prominently displayed on the homepage of the school district's website. The district will notify pupils and parents this Harassment, Intimidation, and Bullying Policy is available on the school district's website.

Intervention & Referral Services (I&RS)

The New Jersey State Board of Education has established that the primary mission of schools is to enhance student achievement of high academic standards in safe and disciplined learning environments. The effectiveness of public education in fulfilling this mission depends largely upon the capacity of school systems to respond to the diverse educational needs of students. The educational mission is made more complex by the increased incidence, prevalence and intensity of problems students bring to schools. The types of at-risk behaviors students manifest while in school include not concentrating or focusing on learning, not completing assignments, not achieving to demonstrated skill level or tested potential, declining or failing grades, cheating, absenteeism, tardiness, falling asleep, inability to stay in seat or work within structure, decreased participation, self-defeating responses to peer pressure, deteriorating personal appearance and hygiene, erratic behavior, loss of affect, acting out, fighting, defying authority, violating rules and dropping out of school. In response to these circumstances and the attendant needs of students, Memorial High School utilizes a program of intervention and referral services (I&RS) to assist in the educational improvement of the individual and school community.

For questions concerning the I&RS process, please contact the Assistant Principal at ext. 2931.

Guidelines for the Utilization of Option II

NJAC 6A: 8-5.1(a) 2

The New Jersey Department of Education (NJDOE) recognizes and acknowledges that all students will not achieve Core Curriculum Content Standards (CCCS) in the same manner and/or with the same level of success. To this end, the Elmwood Park School District is permitted to allow students with individualized learning opportunities outside of the traditional classroom that are stimulating and challenging and that enable students to meet or exceed the

Core Curriculum Content Standards. This is commonly referred to as, “**Option II.**” Option II allows for the design and implementation of programs to meet the needs of **all** students. Students are permitted to earn credit toward graduation through Option II learning experiences. These experiences include, but are not limited to: interdisciplinary or theme-based programs, independent study, early college credit, magnet programs, student exchange programs, distance learning, on-line learning, work-based programs, internships, service learning, co-curricular or extra-curricular programs, and/or other structured learning experiences. In addition, Option II allows for group programs based upon specific instructional objects that meet or exceed Core Curriculum Content Standards. Participation in Option II is predicated on the application process through which students seek approval. The process for application, evaluation and assessment is detailed below. Attainment of credit toward graduation is based on the successful completion of assessments that verify student achievement in meeting or exceeding the Core Curriculum Content Standards at the high school level.

Memorial Senior High School Graduation Requirements

Students of Elmwood Park Memorial Sr. will receive a high school diploma based on the following graduation requirements:

1. Fulfillment of the following 120 credit program requirements (Option I):

Option II Credit Attainment

Students planning to pursue course work for credit external to the traditional offerings of Memorial Sr. High School curriculum are required to submit a completed application to the Guidance Department's Option II Credit Review Committee. This committee will be comprised of the Director of Pupil Personnel Services and the High School Guidance Counselors. Guidance Department's Option II Credit Review Committee will review each application to determine eligibility and grant approval/disapproval based on the criteria outlined. Each student's application will be reviewed on its own merit. The committee will ensure that each student is on track to fulfill graduation requirements. The High School Principal will review all decisions of the committee.

Grades for approved Option II course work will be shown on a student's transcript. Option II course work will not be included in the calculation of a student's overall Grade Point Average (GPA). Official transcripts of course work taken outside of Memorial Sr. High School may be attached to a student's High School transcript. Such requests must be made through the student's assigned Guidance Counselor. Once credit has been earned in an approved Option II course, students will not be permitted to enroll in an equivalent Memorial Sr. High School course.

Credit Recovery

Students receiving a failing final grade a high school course do not receive credit. Students who fail to meet course requirements and/or meet attendance requirements receive a failing grade. In each case, credits towards graduation are not earned. Student options include the repeat of the course during the next school year; enrollment in an approved summer school program; or enrollment in an approved Option II alternative. Option II alternatives require approval by the Guidance Department's Option II Credit Review Committee. Completed applications must be submitted by June 30th for enrollment in a summer; August 31st for Fall Semester course; January 1st for a Spring Semester course.

Credit Recovery courses require students to be enrolled for a minimum of 60 hours for a 5 credit course. Grades for completed Credit Recovery courses will be reflected on student transcripts. Credit recovery courses are not included in the calculation of a student's overall GPA. The original course and final grade **will be** retained on the student's transcript. Appropriate credits will be applied toward graduation requirements. Credit recovery can be achieved through in-person or on-line coursework.

Advanced Credit; Additional Credit; Acceleration

Students may opt to enroll in Option II courses to include on his/her transcript and/or to advance a course level. If deemed not to meet proficiency standards, credit earned will be applied as elective credit, and the student will be required to enroll in the next, Memorial Sr. High School level course.
6. Advanced credit can be awarded for successful completion of demonstrated proficiency in Algebra I, Spanish I and Italian I if taken at the middle school. For example, a student who takes at least two years of Spanish in middle school can opt to take Spanish 2 in the high school and receive 5 credits for Spanish 1 as long as the student demonstrates proficiency at the Spanish 1 level.
